The Almighty Dollar Is
Still Able to Sit Up and
Take Notice

With the right care and proper spending it can
still be made to give the high cost of buying a heal-
thy argument
All the old-fashioned ring has not been wrung
out. There are still some stores in the United
States where the dollar does more than picket duty
—and this is one of them.

In clothing and furnishings in general for Men
and Boys we are giving better values today than
any City store can possibly give.

We could ask about 20 per cent. more and still
sell at a price that would be no higher and in many
cases less than the City stores, and because we don't
is one reason why you should have a healthy regard
for our methods and merchandise.

Sure relief

The sufferer from indigestion, dyspepsia, and biliousness, needs no
warning to avoid the many worthless, so-called "cures" that are offered,
been tried, frequently leaving the system weaker than before.
The true "L. F." Atwood's Medicine brings quick relief
without the risk of injurious after-effects. Instead of a
temporary improvement, at the expense of weakening some
vital organ, it helps the entire digestive apparatus, tones the
stomach, and establishes a general healthy condition. Taken
regularly, the physical improvement which will result, will
also overcome the fear of a new attack.
"L. F." can be given with perfect safety to every member
of the family. It has been a family health-restorer for 60
years; its friends are steadfast. You can buy a large bottle
(60 teaspoonful doses) from your druggist for 50 cents.

The Day's Catch to Fry!

Home and Hungry! That's the time you don't want to wait while a cooking fire is started. You want the frying pan sizzling or a piping hot oven to make quick biscuits.

The New Perfection Oil Cook Stove is always ready for cooking—on the instant. It drives an intense heat directly against the cooking utensil the minute the burner is lit. This is because the long, blue chimney concentrates all the heat and assures perfect combustion.

This same long, blue chimney furnishes enough draft to burn up every single drop of oil. Perfect combustion means fuel economy. Then, too, the New Perfection Oil Cook Stove eliminates the waste of fuel necessitated by keeping a fire burning when you are not cooking.

3,000,000 in daily use—that is the best recommendation for the New Perfection. It comes in one to four burner sizes. Sold by dealers everywhere.

For your further convenience, the New Perfection Water Heater. Hot running water at low cost. Ask your dealer.

Says a Glass of Hot Water Every Morning Before Breakfast Will Take Off Fat If You Get More Fresh Air

Be Moderate in Your Diet and Reduce Your Weight with Tasso

Lack of fresh air weakens the oxygen-carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs are hindered thereby. The heart action becomes weak, work is an effort and the heart of the figure is destroyed.

Fat put on by indoor life is unhealthy and if nature is not assisted in throwing it off by increasing the oxygen-carrying power of the blood, a serious case of obesity may result.

When you feel that you are getting stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Spend as much time as you possibly can in the open air; breathe deeply, and get from A. L. Clark Drug Co., a box of Tasso, take a glass of hot water every morning before breakfast then take Tasso after each meal and at bedtime.

Weigh yourself every few days and keep up the treatment until you are down to normal. Tasso is absolutely harmless, is pleasant to take, helps the digestion and is designed to increase the oxygen-carrying power of the blood.

Even a few days' treatment should show a noticeable reduction in weight. There is nothing better for obesity.

HERE Are a Few of the Many Points

which combine to assure the safety of your investment in Central Maine Power Company 7 per cent. Preferred Stock.

1. The Company's earning power has grown steadily and seems singularly stable, regardless of labor, money or industrial conditions.
2. The stock is a legal investment for Maine savings banks and is owned by several—and by many trust and banking companies of this state.
3. The Company is managed and very largely owned by Maine people. A large proportion of its employees and one out of every ten of its customers own stock in the Company.
4. The net proceeds from the sale of every share of stock go into dividend-earning property—dams, power stations, transmission lines.
5. Behind the investment is physical property estimated to be worth more than \$20,000,000.
6. Rates, competition and security issues are regulated by the Public Utilities Commission. In many rulings the commission has made clear its policy of allowing public utility companies to charge such rates as will allow a fair return on the value of the property.

Because of these and many other points the Investor who puts money into Central Maine Power Preferred can feel reasonably sure he is making a safe investment.

The price of the stock is \$107.50 a share—the yield 6 1-2 per cent. net.

A LETTER FOR WOMEN

From a Woman Whose Serious Illness Was Overcome by Lydia E. Pinkham's Vegetable Compound.

Garnett, Kas.—"I first took Lydia E. Pinkham's Vegetable Compound for a complete nervous breakdown following the birth of my oldest child. I got up too soon which caused serious female trouble. I was so weak that I was not able to be on my feet but very little and could not do my housework at all. I had a bad pain in my left side and it would pain terribly if I stepped off a curbstone. One day one of your booklets was shown in the yard and I read every word in it. The next day so many who had been helped by your medicine that I wanted to try it and my husband went to town and got me a bottle. It seemed as though I felt relief after the second dose, so I kept on until I had taken five bottles, and by that time I was as well as I could wish. About a year later I gave birth to a ten pound boy, and have had two more children since and my health has been fine. If I ever have trouble of any kind I am going to take your medicine for I give it all the praise for my good health. I always recommend your medicine whenever I can."—Mrs. EVA E. Nature.

As a fond mother, when the day is o'er,
Leads by the hand her little child to bed,
Half willing, half reluctant to be led
And leave his broken playthings on the floor,
Still gazing at them through the open door.

Not wholly reassured and comforted
By promises of others in their stead,
Which, though more splendid, may not
Please him more.

So nature deals with us and takes away
Our playthings one by one and by the hand
Leads us to rest so gently that we go
Scarcely knowing if we wish to go or stay
Being too full of sleep to understand
How far the unknown transcends the
what we know.

The sermon was very interesting, instructive, and religiously impressive. Rev. Markley and Rev. Hathaway assisted. Mr. and Mrs. Chester Briggs sang a duet and led the Congregational singing.

BYRANT'S POND

This is graduation week. Last Sabbath the baccalaureate sermon was given before the members of the senior class by the Rev. C. R. Upton, pastor of the Baptist Church here. The class roll of 1920: Mansfield Peckham, Charles Noyes, Stanley Bartlett, Annie Cross. The services will be held in the Opera House on Thursday evening. The class colors this year are blue and white. Motto, "Always Ready." On the following evening occurs the annual Alumni Ball with Shaw's Orchestra in attendance. Floor manager, G. W. Q. Perham.

Rev. C. R. Upton is attending the Oxford Baptist Association held at Paris Hill this week.

C. Lester Heath has returned from Portland considerably improved in health and able to assist a part of the time at the central office.

The event next week will be the annual entertainment of the Shoreys at the Opera House. They will present on Tuesday evening, June 15th, one of the best plays written by Miss Shorey, the rural drama, "One New Year's Eve." The visit of this company is always welcomed here.

Miss L. B. Treadwell, the former pastor of the Baptist Society here, has accepted a call from the Twin Mountain Church in New Hampshire. Her household goods that have been in storage at the parsonage, were moved by a truck from Whitefield to Twin Mountain last week.

Gilman A. Whitman of South Paris was one of the comrades in the marching line with the Grand Army on Memorial Day. Mr. Whitman is one of those who has much pleasure in coming back now and then to the old town of his birth where so many of his years were passed and from whose quota he entered the Civil War service as sergeant of Co. D 23rd Regt., under Capt. Charles E. Bradford in September, 1862.

Next Sabbath, June 13th, will be Pythian Memorial Sunday under the auspices of Fraternal Lodge and Evergreen Assembly. The service is to be held at 10:30 A. M. in the Baptist Church. The address will be delivered by Rev. C. R. Upton.

Services at the Bryant Pond Baptist Church will begin Sundays at 10:30 a. m. and 7:30 in the evening, also Thursday evening at 7:30.

Woman Sick Two Years Tells How She Got Well

Mrs. G. I. Baird of 39 Glenville Ave., Albany, N.Y., writes: "I have been sick almost two years, had four doctors with little or no relief. I was growing thin every day, went from 125 to 111. I was so discouraged, I didn't know what to do. One night, about three weeks ago, I picked up a paper and saw Dr. True's Elixir, Family Laxative and Worm Expeller, advertised. I made up my mind I had worms, and the next day bought a small bottle of Dr. True's Elixir. I was surprised at the result, stomach worms come a longer time so much sicker, that looked as though it was just the skin of worms. The day before I took Dr. True's Elixir I thought I should go with the crawling in my stomach. I feel like a new person, all my friends say I look so much better. I wouldn't have believed anyone could feel so much better in such a short time. I can't give your medicine praise enough."

Signs of worms: Offensive breath, swollen upper lip, sour stomach, deranged stomach, constipated bowels and pains about the navel, pale face of leaden tint, eyes heavy and dull, itching eyelids, itching of the nose, itching of the rectum, short, dry cough, grinding of the teeth, red points on the tongue, starting, drowsy sleep, slow fever. Dr. True's Elixir, the Family Laxative and Worm Expeller, is sold by ALL DEALERS.

FRYEBURG

Presented Land For Park
The town of Fryeburg will have a park when it is ready for public use. The principal business of the special town meeting held Saturday afternoon, which was largely attended, was the presentation to the town of the lot of land in Fryeburg village, the well known Pine Hill lot, for a park, by Mrs. Minnie (Bradley) Mattson of Oxbrook, Pa. Mrs. Mattson is the daughter of the late Dr. Israel Bailey Bradley and Mrs. Sarah (Johnston) Bradley of Fryeburg. This welcome gift was accepted by the town, and resolutions of thanks were written and adopted, which will be sent to the generous donor and inscribed upon the town records.

The new park is to be known as the Bradley Memorial Park. Mrs. Mattson expressed the wish that the site of the "old First Fryeburg Academy building" where Daniel Webster taught, be respected. She reserved the right to build a library building on the lot on the corner of Main and King streets, she desired to do so later. She also wished a building on the Hill and that the Park should not be used as an athletic field for adults.

These conditions were accepted by the town and the sum of \$500 was voted for beginning improvements, laying out the lines of the land and other work. Mrs. Mattson named in her communication an advisory committee or advisory board, consisting of five gentlemen and five ladies from different parts of the town.

A sum of \$1000 was also voted for the public schools in addition to the sums raised at the annual March meeting.

Hon. Albion A. Perry has been very active in connection with the gift to Fryeburg of this new park, and his great appreciation of Mrs. Mattson's generous remembrance of her native town has awakened much interest in it among the citizens.
